RESPONSE

Dear Madam/Sir:

This communication responds to the non-final Office Action mailed on April 16, 2008, in connection with the above-identified patent application.

The three-month shortened statutory period for reply to the Office Action expired on July 16, 2008. Applicants respectfully petition the Commissioner for Patents to extend the time period for response to the Office Action, for one month, from July 16, 2008, to August 16, 2008, **which is a Saturday**. Enclosed is a check for the one-month extension of time fee (\$120.00). It is respectfully submitted that this Response is timely filed within the extended deadline of August 16, 2008. If any additional extension period is required in order for this paper to be timely filed, then Applicants hereby request an extension for such additional time period and authorize the appropriate fees therefore to be charged to the Kagan Binder Deposit Account No. 50-1775 and notify us of the same.

It is believed that no other fees are required in filing this Response (fees for adding claims are discussed below). However, if any other fees are required (other than for adding claims), please charge all of the appropriate fees to the Kagan Binder Deposit Account No. 50-1775 and notify us of the same.
